MAGICAL FURY

Mundane Side

What is your name?

What does being a girl mean to you?

What are you afraid of?

What is your wish?

Trauma OOO

Hope Shift

- □ You have a moment of sincere hope. Erase any points of Magic and Trauma you currently have.
- \Box A lucky break gets you closer to your goal.
- □ You are able to heal someone else, removing points of Magic and Trauma, healing a serious injury, or removing a single effect caused by a Shift.
- \Box You find a new friend.

Magic Shift

- $\hfill\square$ The environment around you is temporarily altered in an unnatural way.
- \Box There is a burst of magic based on your magic's theme at an inopportune time.
- \Box Your magical girl form permanently takes on an unnatural aspect; write it down.
- $\hfill\square$ Your normal form temporarily takes on an unnatural aspect.

Trauma Shift

- \square One of your past life selves takes control for a time and does something strange.
- $\hfill\square$ You have an outburst that alienates you from others.
- \Box You hurt yourself.
- \square You permanently acquire another fear or a twisted wish; note it down.
